

# Never again poem

2009

I need you to know  
I won't be there, I won't be there I won't be there for you  
next time that you need me to be  
feeling sorry for myself, I guess  
It's just.....it's just.....

I was there for you  
now I'm waiting, now I need help  
you're not here, you're not here, you're not here for me  
I guess I'm acting foolish because  
I kinda thought that you were coming  
I kinda thought that  
Never again
