

# Poetic Notes:

Jan 24, 2012

-guilty of name calling and biasing the audience which is  
propaganda guilty of manufacturing a problem, arrant  
distortion of the law, card stacking image words irrelevant  
details the non sequitur question guilty of argumentum ad  
baculum, appeal to force "if you do not cooperate you  
double standard

brooklyn brooklyn brooklyn-

truth and love - looking over what from artists pockets falls

-read the future -don't know what happened well who  
can reads the past supernatural beauty who let them  
break

a-lot of thinking can stop for a minute

for the last one - to hang o'er into the next life grant you  
fair safe passage keeping yourself un scathed that is  
granted like a light for the way

yet always too late on that note

never had a dream so bright like nothing ever stopped  
you before

reading over your words one more time for no reason and  
shutter your windows and close your blinds for the sunrise  
is coming ?
